## BUSINESS UPDATES

### DREAM Group W.L.L Surveillance Audit for ISO 9001 and 14001

Dream Group successfully fulfilled the requirements of the regular Surveillance Audit performed to monitor its Quality Management System (ISO 9001:2015) and Environmental Management System (ISO 14001:2015) standards.

The audit was performed by TUV Nord. The audit results showed compliance to the set standards, without Non-Conformances findings, which once again clearly demonstrates the company's high standard of Quality and Commitment to its philosophy of Customer Service.
