Message from the President & CEO

As Year End fast approaches and our Accounts and Audit Teams are busy finalising our books and financial performance, there is much background activities underway to continue our growth strategy into the New Year.

"Collectively" we had an amazing contract award this month through Executive Facility Management whereby they won a 2-Year TFM contract for the biggest Residential Site in Bahrain. EFM will now manage the Abraj Al Lulu complex which houses 904 apartments of 5 star quality by utilising our sister companies QZS, PSS, One Call, TEMCO and Dream Pools. A very difficult challenge, but the staff from all of Dream Group companies are more than ready to deliver world class services to this prestigious Site. A special well done to all concerned and Good Luck with the mobilisation.

There will be more emphasis on New Dream Trading in the New Year to push this company to deliver all of the Group supply requirements, so it is paramount to their success that NDT are on the front line when it comes to exhibitions and marketing which was evident in the Bahrain Housing Conference and Exhibition in November 2013.

NDT will have the full support they require to deliver the Quality our companies require at a competitive price.

Mr. Jamal Alkooheji
President & CEO
