Message from the President & CEO

Great news that more contracts are won by QZS and delivered sustainability in ensuring our contracts were renewed.

PSS have retained their security contract with Citibank for another 1 year which is excellent against tough competition in the market.

It is vitally important that our core business support services are effective and as such the QMS Team continues the good work compounded by continuous Health & Safety Trainings.

Finally, congratulations to the 6th Anniversary of the DG Newsletter. Keep up the good work!

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

Mr. Jamal Alkooheji
President & CEO
