BUSINESS UPDATES

Message from the President & CEO

We report in a month that not only is the first month of our operational period which brings us fresh and new challenges alike but a period where staff can reflect on multiple official holidays for all faiths and to enjoy this special time with their families.

We can report that our ISO training has continued in readiness for our forthcoming re-certification in the New Year.

Health and Safety training also continued during this month with several staff attending official Bahrain Fire Fighting Courses.

Our pledge to staff to deliver Corporate Medical Insurance has been realised through the hardwork and dedication from the Group General Manager's PA Maribel Red which shows our commitment to working to International "Investors In People" standards.

As this calendar Year comes to an end, I wish you all a very Merry Festive period and a Prosperous and Happy New Year and look forward to working with you in the coming year in what we hope will be a very successful and busy period of our Companies futures.

Mr. Jamal Alkooheji
President & CEO
