Message from the President & CEO

This month has been one of consolidation in terms of focusing on Service Excellence.

Our Customer Satisfaction rating is very high and throughout our business Health and Safety is promoted to the highest level possible for the good and benefit of all staff.

May has been a busy month in preparation of multiple new service tenders and bidding to secure extended contracts for services that are due to expire.

As we move into the holy month of Ramadan, it is essential that our service focus maintains stability which will bode us well for the remainder of the Year.

Q2 results are very encouraging and once the final audit is complete, we can give a more accurate report regarding this subject matter.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

Mr. Jamal Alkooheji
President & CEO
