

## BUSINESS UPDATES

### Message from the President & CEO

During this very busy period, our teams have been involved with a major marketing campaign at this year's Bahrain Gulf Bid/Gulf Property Show. All staff worked extremely hard in showing the general public all of our services which ended with many business leads. A special thank you to Huda Dadi, Maribel Red and Rajiv Verma for ensuring that everything ran smoothly.

I Pest Control (IPC) are growing day by day driven by the Manager, Hari Bhandari. The new website should now take our marketing for this service to a high level in the Public Domain.

Dream One Fire & Safety Services (DOFSS) are now fully approved and licensed to operate in Bahrain. All International approved equipment is here and fully installed, ready for business. Good luck to the Team in our newest company.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

**Mr. Jamal Alkooheji**  
President & CEO
