Message from the President & CEO

Our Goals and Objectives for the Operational Year has been Quality, Sustainability and Growth.

The Group continue this focus and month by month new projects are coming on line primarily for QZS, PSS and Dream Development.

Our strategy is underpinned with our focus on "Investors In People". We are very pleased to announce the opening of our Training School in Juffair to provide pre-contract trainings for our Cleaners and Security Guards. This Training Centre will enable us to prepare our staff and better equip them for the duties once they are mobilised to their places of duty.

Further still as our Companies grow, the need for more accommodation for our staff is vital. Significant investments for Female accommodation in Salmabad and Male accommodation in Sitra has been made and staff are overjoyed with the quality provided in these spacious, well laid out accommodations which will enhance the quality of their lives.

A special 'Well Done' goes out to Ansar Gondal on being promoted to Senior Operational Manager for QZS and to all the staff at Enma Mall for successfully mobilising this prestigious contract which the client has expressed his great pleasure in our services provided.
